# THUNDERARMOR ONE PIECE TARP

Thunderstone now offers a black one piece 18 oz. or 22oz., 117" wide, manufactured tarp that has no welded seams. These tarps are standard on all 96" wide Timppte trailers. Since the production volume is higher, we can offer these at a lower price. Many of these are included in our 24-hour tarp shipping program.

## *One Piece Tarp Features & Benefits:*

- Improved durability
- Seamless design
- Improved cosmetics - smoother appearance
- Faster open and close time
- 24-Hour Shipping on many of the one piece tarps

# THUNDERARMOR CLEAN COAT

## *Tired of product sticking to your tarp?*

ThunderArmor Clean Coat is a revolutionary tarp design that is finished with an acrylic glaze coating. The acrylic glaze coating reduces commodity buildup underneath the tarp and helps reduce cross-contamination between loads. If you are required to washout between loads this tarp makes it faster and easier to clean compared to standard tarp material.

### *Recommended Applications*

- Any Food-Grade Products
- Meat & Bone Meal
- Soybean Meal
- DDG (Dry Distiller Grain)
- Fertilizer
