

REAR ROLL RETURN COLLAR

INSTALLATION INSTRUCTIONS

Please use the steps below for installing the bushing collar onto the roll-return cable. Part # 034-60038

1. Remove the plastic sleeving from the loop of the roll return cable.
2. Insert the bare cable loop into the groove of the collar.
3. Install the roll return onto the trailer tarp cap like normal.
4. Run the cable over the roller.
5. Slide the collar onto the roll tube.
